COMMONLY ASKED QUESTIONS

HOW MUCH POWER DO I NEED?

- 1. Calculate the power for your lighting needs by totalling the wattage of your lights.
- 2. For other equipment, read the rating from on the back or bottom of the unit (see example). The plate will tell you the amperage or wattage, voltage and phase requirements. Power must be ordered according to peak amperage ratings.

120V 1 PH = 120 Volt - Single Phase 60 Hz = 60 Cycle 1000 W = 1000 Watts 208V 1 PH = 208 Volt 30A = 30 Amp 3PH = Three Phase

WHERE WILL MY POWER BE LOCATED?

INLINE BOOTHS - PENINSULA

BACK TO BACK PENINSULAS

A scaled floorplan must accompany orders showing location of electrical outlets, connections and lighting.

ISLAND BOOTHS

RULES & REGULATIONS

- 1. Order, with payment in full, must be received no later than the deadline date noted on the front of this form in order to receive the advance pricing. All orders received after the deadline date will be priced at Standard Rates.
- 2. In the event that the totals calculated on the reverse of this form are not correct, Show In Motion reserves the right to make any necessary corrections.
- 3. Outlet rates listed include bringing the service to one location at the rear of all inline, peninsula booths and is brought to one location in all island booths. Show In Motion will make every attempt to deliver power to island booths to a location convenient to the exhibitor.
- 4. Outlet rates listed do not include include tie-in service. Additional tie-in services, special wiring, distribution of electrical services, or labor are not included. Distribution from the power source to all other locations inside a booth space, regardless of booth type, requires labor, and is done on a time and material basis. Exhibitors are invited to contact Show In Motion to discuss any additional costs that may be incurred.
- 5. A separate outlet must be ordered for each location where electricity is required. "Daisy Chaining" extension cords together is in contravention of the both the BC Safety Authority and Canadian Electrical Code and is not permitted.
- 6. Labor rates shown on the Electrical & Lighting form are based on current wage scales and are subject to change in the event of wage changes prior to your event. A minimum charge of one (1) hour labor will apply for the installation and one half (1/2) hour will apply for the dismantle.
- 7. Show In Motion employees are permitted to cut floor coverings when essential for the installation of services unless specifically instructed otherwise.
- 8. All material and equipment furnished by Show In Motion is done on a rental basis ONLY and remains at all times the property of Show In Motion. It shall be removed only by Show In Motion staff.
- 9. If you have ordered power bars and / or extension cords and do not find them in your booth upon your arrival please come to our service desk to pick them up.
- 10. Standard wall and other permanent facility utility outlets or sockets are not part of your booth space and may not be used by exhibitors unless authorized by Show In Motion staff. Standard charges will apply.
- 11. All equipment, regardless of source of power, must comply with the Canadian Electrical Code, the Electrical Safety Act and be CSA approved. Show In Motion is authorized to refuse to supply power and or connections where the exhibitor supplied wiring or equipment is not in accordance with the above noted regulations.
- 12. All electrical equipment must be properly tagged and wired with complete information as to type of current required for operation, voltage, phase, cycle, horsepower, etc.
- 13. All exhibitors power cords must be a minimum of 14 gauge, 3 wire and grounded. Two wire extension cords are not permitted. All exposed non-current carrying metal parts of fixed equipment which are liable to be energized must be grounded.
- 14. Credit will not be given for services installed and not used.
- 15. Claims will not be considered or adjustments made unless filed in writing by the exhibitor prior to the close of the event.
- 16. Exhibitor holds Show In Motion harmless for any and all losses of power beyond Show In Motion's control including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty exhibitor equipment or overloads caused by any exhibitor.
- 17. It is agreed that in the event it becomes necessary to turn any legal matter over to an attorney for settlement the Exhibitor will pay Show In Motion for it's legal fees or applicable agency fees.
